ABOUT BLADE

Blade provides air transportation and logistics for hospitals across the United States, where it is one of the largest transporters of human organs for transplant, and for passengers, with helicopter and fixed wing services primarily in the Northeast United States, Southern Europe and Western Canada. Based in New York City, Blade's asset-light model, coupled with its exclusive passenger terminal infrastructure and proprietary technologies, is designed to facilitate a seamless transition from helicopters and fixed-wing aircraft to Electric Vertical Aircraft ("EVA" or "eVTOL"), enabling lower cost air mobility that is both quiet and emission-free.

Transitioning to EVA

One of our primary missions is to help passengers safely and reliably experience new ways of traveling with the highest respect for and least impact on our environment.

Our goal is to make aviation more accessible by preparing for the adoption of EVA. These quiet, carbon- neutral and cost-effective electric aircraft are currently being developed and flown by our investors and partners today. On February 14, 2023, Blade completed an historic EVA flight in New York, in partnership with BETA Technologies, marking an important milestone to enable the introduction of EVA into Blade's New York and Short Distance businesses. We believe that reducing noise, emissions, and cost will help bring urban air mobility to more people in more places. Specifically, we expect the reduced noise footprint and zero carbon emission characteristics of EVA to allow for the development of new, vertical landing infrastructure ("vertiports") in our existing and new markets.

We believe that our current business demonstrates the commercial use case for future EVA. Our Short Distance business model is focused on dense urban areas with existing air transportation infrastructure that are facing increasing ground congestion. In these areas, Blade's urban air mobility services can provide significant time savings for our fliers. Large urban markets and hospitals with existing heliport infrastructure should be able to accommodate EVA while other areas may need several years to permit and build such infrastructure.

We believe that Blade is well positioned to introduce EVA into commercial service, once available, for a number of reasons. In our Passenger segment, we believe our existing Short Distance routes will be compatible with EVA, which are initially expected to have a limited range, and our existing terminal space will accommodate EVA.

Additionally, we believe that the last-mile transports we perform using helicopters or ground vehicles in our Medical segment may be compatible with EVA, reducing organ transport time and cost for our customers. Blade's unit economics are designed to be profitable using either conventional helicopters or EVA, even if early EVA do not deliver significant cost savings relative to helicopters. Moreover, Blade's asset-light business model and technology platform are operator and aircraft agnostic, enabling a seamless transition to EVA.

Commitment to Our Communities

Our MediMobility Organ Transport business partners with transplant centers and organ procurement organizations across the United States, providing cost-effective, rapid movement of organs and transplant teams while maximizing success rates for patients. We believe Blade is the largest dedicated air transporter of human organs for transplant in the United States, leveraging the combined volumes of our retail and medical businesses to enable expanded aircraft availability and better pricing for our customers.

PROPOSAL 1 ELECT CLASS III DIRECTORS

Our business and affairs are managed under the direction of our Board. Our Board currently consists of nine directors. Following the Annual Meeting, our Board will consist of eight directors.

Our amended and restated certificate of incorporation provides that, subject to the right of holders of any series of preferred stock, our Board will be divided into three classes of directors, with the classes to be as nearly equal in number as possible, and with the directors serving staggered three-year terms, with only one class of directors being elected at each annual meeting of stockholders. As a result, approximately one-third of our Board will be elected each year.

Unless otherwise specified in the proxy, the shares voted pursuant thereto will be cast for each of Ms. Lyne and Mr. Wiesenthal. If, for any reason, at the time of election any of the nominees named should decline or be unable to accept his or her nomination or election, it is intended that such proxy will be voted for a substitute nominee, who would be recommended by our Board. Our Board, however, has no reason to believe that any of the nominees will be unable to serve as a director.

The following biographical information is furnished as to each nominee for election as a director and each of our directors as of March 22, 2024. References to service on our Board prior to May 7, 2021 refer to service on the board of directors of EIC.

Required Vote

Our bylaws provide for a plurality voting standard for the election of directors. Under this voting standard, once a quorum has been established, the nominees who receive the largest number of votes are elected as directors up to the maximum number of directors to be elected at the meeting. This means that the two nominees receiving the highest number of votes at the 2024 Annual Meeting will be elected, even if these votes do not constitute a majority of the votes cast. Only votes cast “FOR” a nominee will be counted in the election of directors. Votes that are “WITHHELD” with respect to one or more nominees will result in those nominees receiving fewer votes but will not count as a vote against the nominees.

Recommendation

The Board recommends that stockholders vote “FOR” all of the nominees

Board of Directors

Composition of the Board

The business and affairs of Blade are managed under the direction of the Board. We have a classified Board, with members of each class serving staggered three-year terms. In 2023, our Board consisted of three directors in Class I (Mr. Borthwick, Mr. Love and Mr. Philip), three directors in Class II (Mr. Affeldt, Mr. Lauck and Mr. Lerer) and three directors in Class III (Ms. Garvey, Ms. Lyne and Mr. Wiesenthal). The Class III directors are up for election at our 2024 Annual Meeting, the Class I directors will next be up for election at our 2025 Annual Meeting and the Class II directors will next be up for election at our 2026 Annual Meeting.

Director Independence

Nasdaq listing rules require that a majority of the board of directors of a company listed on Nasdaq be composed of "independent directors," which is defined generally as a person other than an officer or employee of the company or its subsidiaries or any other individual having a relationship that, in the opinion of the company's board of directors, would interfere with the director's exercise of independent judgment in carrying out the responsibilities of a director. Based on information provided by each director concerning his or her background, relationship with the Company and its management, employment and affiliations, including family relationships and associations with significant stockholders, the Board has determined that each of Eric Affeldt, John Borthwick, Jane Garvey, Andrew Lauck, Kenneth Lerer, Susan Lyne, Reginald Love and Edward Philip is an independent director under the Nasdaq listing rules and that all of such persons are also independent under Rule 10A-3 of the Exchange Act, except Mr. Affeldt. In making these determinations, the Board considered the current and prior relationships that each non-employee director has and will have with Blade and all other facts and circumstances that the Board deems relevant in determining independence.

Board Committees

The standing committees of our Board consist of an Audit Committee, a Compensation Committee and a Nominating and Corporate Governance Committee. Our Board may from time to time establish other committees.

Our Chief Executive Officer, President and other executive officers will regularly report to the non-employee directors and the Audit, Compensation and Nominating and Corporate Governance Committees to ensure effective and efficient oversight of our activities and to assist in proper risk management and the ongoing evaluation of management controls.

Charters for each of these committees, as well as our corporate governance guidelines, is available on the Company's investor relations website at ir.blade.com.

Audit Committee

In 2023, our Audit Committee consists of Mr. Philip, who served as the Chairperson, Ms. Garvey, Mr. Lauck and Ms. Lyne. Following the Annual Meeting, our Audit Committee will consist of Mr. Philip, who will serve as the Chairperson, Mr. Lauck and Ms. Lyne. Each member of the Audit Committee qualifies as an independent director under the Nasdaq corporate governance standards and the independence requirements of Rule 10A-3 of the Exchange Act. Our Board has determined that Mr. Philip qualifies as an "audit committee financial expert" as such term is defined in Item 407(d)(5) of Regulation S-K and possesses financial sophistication, as defined under the rules of Nasdaq.

TABLE OF CONTENTS

The purpose of our Audit Committee is to assist our Board in discharging its responsibilities relating to:

- reviewing and discussing with management and the independent auditor the annual audited financial statements, and recommending to the Board whether the audited financial statements should be included in our annual reports;
- discussing with management and the independent auditor significant financial reporting issues and judgments made in connection with the preparation of our financial statements;
- discussing with management major risk assessment and risk management policies, including cybersecurity risks;
- monitoring the independence of the independent auditor;
- verifying the rotation of the lead (or coordinating) audit partner having primary responsibility for the audit and the audit partner responsible for reviewing the audit as required by law;
- reviewing and approving all related-party transactions;
- inquiring and discussing with management our compliance with applicable laws and regulations;
- pre-approving all audit services and permitted non-audit services to be performed by our independent auditor, including the fees and terms of the services to be performed;

- determining the compensation and oversight of the work of the independent auditor (including resolution of disagreements between management and the independent auditor regarding financial reporting) for the purpose of preparing or issuing an audit report or related work; and
- establishing procedures for the receipt, retention and treatment of complaints received by us regarding accounting, internal accounting controls or reports which raise material issues regarding our financial statements or accounting policies.

Compensation Committee

In 2023, our Compensation Committee consisted of Ms. Lyne, who served as the Chairperson, Mr. Affeldt, Mr. Lerer and Mr. Philip. Following the Annual Meeting, the composition of our Compensation Committee will remain unchanged.

The purpose of the Compensation Committee is to assist our Board in discharging its responsibilities relating to:

- setting our compensation program and compensation of our executive officers and directors,
- monitoring our incentive and equity-based compensation plans, and
- preparing the Compensation Committee report required to be included in our proxy statement under the rules and regulations of the SEC.

Nominating and Corporate Governance Committee

In 2023, our Nominating and Corporate Governance Committee consisted of Ms. Garvey, who served as the Chairperson, Mr. Affeldt, Mr. Borthwick and Mr. Love. Following the Annual Meeting, our Nominating and Corporate Governance Committee will consist of Mr. Love, who will serve as the Chairperson, Mr. Affeldt and Mr. Borthwick.

The purpose of our Nominating and Corporate Governance Committee is to assist our Board in discharging its responsibilities relating to:

- identifying individuals qualified to become new Board members, consistent with criteria approved by the Board;
- reviewing the qualifications of incumbent directors to determine whether to recommend them for reelection and selecting, or recommending that the Board select, the director nominees for the next annual meeting of stockholders;

- identifying Board members qualified to fill vacancies on any Board committee and recommending that the Board appoint the identified member or members to the applicable committee;
- reviewing and recommending to the Board applicable corporate governance principles;
- overseeing the evaluation of the Board and management; and
- handling such other matters that are specifically delegated to the committee by the Board from time to time.

Director Nomination Rights

We are party to an Investor Rights Agreement with Experience Sponsor LLC (the “Sponsor”) and certain stockholders of Blade, including our Chief Executive Officer, Robert Wiesenthal, and other executive officers of Blade. Pursuant to the Investor Rights Agreement, the Board will nominate a number of individuals designated by the Sponsor for election as its directors at any meeting of its stockholders (each a “Sponsor Director”) such that, following the election of any directors and taking into account any director continuing to serve as such without the need for re-election, the number of Sponsor Directors serving as directors of Blade will be equal to: (a) if the Sponsor (or its permitted transferees) continues to beneficially own at least 50% of the shares of our common stock beneficially owned by the Sponsor at the closing of the Merger, two-sevenths of the total number of directors, rounding up to the nearest whole number, and (b) if the Sponsor (or its permitted transferees) continues to beneficially own at least 25% (but less than 50%) of the shares of our common stock beneficially owned by the Sponsor at the closing of the Merger, one-seventh of the total number of directors, rounding up to the nearest whole number. Once the Sponsor’s ownership falls below an applicable ownership threshold, any then-serving Sponsor Directors in excess of the number of Sponsor Directors that the Sponsor is then entitled to designate shall promptly tender his or her resignation for the consideration of the Board. We have also agreed to take all actions (to the extent such actions are not prohibited by applicable law and within our control) to cause our Chief Executive Officer to serve as a director of the Board.

As of March 22, 2024, the Sponsor had the right to designate three Sponsor Directors. Mr. Affeldt and Mr. Philip are currently serving as Sponsor Directors and the Sponsor waived its right to appoint a third Sponsor Director in connection with the expansion of our Board in March 2023.

On March 27, 2023, the Company and RB Lift entered into a nomination rights agreement (the “Nomination Rights Agreement”), which provides that, for as long as RB Lift and its affiliates beneficially own at least 5.0% of our outstanding common stock, RB Lift is entitled to nominate one director (the “RedBird Nominee”) to serve on our Board as a Class II director and, subject to certain limitations, on the Audit Committee. RB Lift nominated Andrew Lauck, the president of RB Lift, as the RedBird Nominee. In the event that the RedBird Nominee ceases to serve as a director (other than the failure of the stockholders of the Company to elect such individual as a director or the termination of the nomination right), RB Lift will have the right to designate a replacement nominee. The Nomination Rights Agreement will remain in effect until the earlier of the annual general meeting of stockholders of the Company held in 2026 or RB Lift and its affiliates ceasing to own at least 5.0% of our outstanding common stock.

Board Member Selection Criteria

In considering director candidates, the Board and the Nominating and Corporate Governance Committee consider such factors as possessing relevant expertise upon which to be able to offer advice and guidance to management, sufficient time to devote to the affairs of the Company, demonstrated excellence in his or her field, dedication to the Company’s mission, the ability to exercise sound business judgment and the commitment to represent the interests of the Company’s stockholders. Candidates for director nominees will be reviewed in the context of the current composition of the Board, the operating requirements of the Company, the long-term interests of stockholders and any applicable contractual obligations of the Company. In conducting this assessment, the Board and the Nominating and Corporate Governance Committee consider diversity, age, skills, and such other factors as it deems appropriate given the current needs of the Board and the Company, to maintain a balance of knowledge, experience and capability. In the case of incumbent directors whose terms of office are set to expire, the Board and the Nominating and

TABLE OF CONTENTS

Corporate Governance Committee intend to review such directors' overall service to the Company during their term, including the number of meetings attended, level of participation, quality of performance, and any relationships and transactions that might impair such directors' independence. In the case of new director candidates, the Board and the Nominating and Corporate Governance Committee also intend to determine whether the nominee will be independent for Nasdaq purposes and their qualifications for committee service. From time to time, the Board (or the Nominating and Corporate Governance Committee) may change the criteria for membership of the Board to maximize the opportunity to achieve success.

Board Leadership Structure

It is Blade's policy that the positions of Chief Executive Officer and Chairperson of the Board be held by different persons. The Board recognizes, however, that there may be circumstances that arise in the future that would lead it to combine these offices. If the Chairperson is not an independent director, one of the independent directors will be designated by the Board as lead independent director.

Currently, our leadership structure separates the offices of Chief Executive Officer and Chairperson of the Board. We believe this is appropriate as it provides our Chief Executive Officer, Mr. Wiesenthal, with the ability to focus on our day-to-day operations while allowing our Chairman, Mr. Affeldt, to lead our Board in its fundamental role of providing advice to and oversight of management.

Role of Board in Risk Oversight

The Board has extensive involvement in the oversight of risk management related to us and our business and accomplishes this oversight through the regular reporting to the Board by the Audit Committee. The Audit Committee represents the Board by periodically reviewing our accounting, reporting, financial and cybersecurity practices, including the integrity of our financial statements, the surveillance of administrative and financial controls, and our compliance with legal and regulatory requirements. Through its regular meetings with management, including the finance, legal, internal audit, human resources, information technology, and cybersecurity functions, the Audit Committee reviews and discusses all significant areas of our business and summarizes for the Board all areas of risk and the appropriate mitigating factors. In addition, our Board receives periodic detailed operating performance reviews from management and the Audit Committee receives regular updates from our Chief Financial Officer and other members of senior management regarding our continuous improvement projects related to cybersecurity.

Meetings and Attendance

During the year ended December 31, 2023 there were four meetings of the Board, four meetings of the Audit Committee, five meetings of the Compensation Committee, and two meetings of the Nominating and Corporate Governance Committee. Each of our directors attended at least 75% of the aggregate meetings of the Board and the committees of the Board on which they served during the period they served in 2023. Our independent directors meet regularly in executive session. All members of the Board are strongly encouraged to attend our annual meetings of stockholders. Five of our nine directors attended our annual meeting of stockholders in 2023.

Corporate Governance Guidelines

Our Board has adopted corporate governance guidelines which describe the principles and practices that our Board will follow in carrying out its responsibilities. These guidelines cover a number of areas including the role, responsibilities, size and composition of the Board, director selection criteria, independence of directors, selection of Chairperson of the Board and Chief Executive Officer, director compensation, change in present job responsibility, director orientation and continuing education, lead director, term limits, Board meetings, Board committees, expectations of directors, management succession planning, evaluation of Board performance, and executive sessions. A copy of our corporate governance guidelines is available on our investor relations website.

These assessments include an evaluation of the Board's and each committee's contribution and effectiveness in serving the best interests of the Company and its stockholders, specific areas in which the Board and management believe that the performance of the Board and its committees can improve, and overall Board composition and makeup.

Succession Planning

Our Nominating and Corporate Governance Committee is responsible for periodically reviewing the Company's succession plans for the role of Chief Executive Officer and other key executive officers with our Chief Executive Officer and making recommendations to our Board with respect to the selection of appropriate individuals to succeed to these positions.

directors as a group at Blade Air Mobility, Inc., Attn: General Counsel, 55 Hudson Yards, 14th Floor, New York, New York 10001. Our Board has developed a process to assist with managing inquiries and communications. The General Counsel will review and compile any stockholder communications and may summarize such communications prior to forwarding to the appropriate party. The General Counsel will not forward communications that are not relevant to the duties and responsibilities of the Board and are more appropriately addressed by management, including spam, junk mail and mass mailings, product or service inquiries, new product or service suggestions, resumes or other forms of job inquiries, opinion surveys and polls, business solicitations or advertisements, or other frivolous communications.

Stockholder Recommendations of Director Candidates

Stockholders who would like to recommend a director candidate for consideration by our Nominating and Corporate Governance Committee must send notice to Blade Air Mobility, Inc., Attn: General Counsel, 55 Hudson Yards, 14th Floor, New York, New York 10001, by registered, certified or express mail, and provide us with a brief biographical sketch of the recommended candidate, a document indicating the recommended candidate's willingness to serve if elected, and evidence of the stock ownership of the person recommending such candidate. The Nominating and Corporate Governance Committee or its Chairperson will then consider the recommended director candidate in accordance with the same criteria applied to other director candidates, including those described in our corporate governance guidelines and the charter of the Nominating and Corporate Governance Committee, each of which is available on our investor relations website.

Submission of Stockholder Proposals and Board Nominees

If you would like to include a proposal for stockholder consideration in our 2025 proxy statement or bring business before our 2025 Annual Meeting, you must send notice to Blade Air Mobility, Inc., Attn: General Counsel, 55 Hudson Yards, 14th Floor, New York, New York 10001, by registered, certified, or express mail and provide the required information and follow the other procedural requirements described below.

If the date of our 2025 Annual Meeting is more than 30 days before or after May 2, 2025, then the deadline to timely receive such material shall be a reasonable time before we begin to print and send our proxy materials. Failure to deliver a proposal in accordance with this procedure may result in it not being deemed timely received. As the rules of the SEC make clear, simply submitting a timely proposal does not guarantee that it will be included in our proxy materials.

Other Stockholder Proposals or Nominations for Presentation at the 2025 Annual Meeting

If a stockholder wishes to bring business to a meeting for consideration other than a matter brought pursuant to SEC Rule 14a-8, the stockholder must give our Secretary written notice of the stockholder's intent to do so and provide the information required by the provision of our bylaws dealing with stockholder proposals and director nominations. The notice of such a proposal or director nomination must be delivered to (or mailed to and received at) the address set forth above no earlier than close of business on January 2, 2025 and no later than close of business on February 1, 2025, unless our 2025 Annual Meeting of stockholders is to be held more than 30 days before, or more than 70 days after, May 2, 2025, in which case the stockholder's notice must be delivered not earlier than the close of business on the 120th day prior to such 2025 Annual Meeting and not later than the close of business on the later of the 90th day prior to such 2025 Annual Meeting or the 10th day after public announcement of the date of such 2025 Annual Meeting is first made. To Comply with SEC Rule 14a-19, the universal proxy rule, if a stockholder intends to solicit proxies in support of any director nominees other than those nominated by our Board pursuant to the proxy access process, then such stockholder must provide notice to our General Counsel that sets forth all the information required by SEC Rule 14a-19 and our bylaws by the advance notice deadlines set forth above in this paragraph. We will submit all candidates nominated by a stockholder pursuant to the procedures and requirements outlined in this "Other Stockholder Proposals or Nominations for Presentation at the 2025 Annual Meeting" section to the Nominating and Corporate Governance Committee for its review, and this submission may include an analysis of the candidate from our management. Any stockholder making a nomination in accordance with the foregoing process will be notified of the Nominating and Corporate Governance Committee's decision. The information contained on or accessible through our corporate websites is not part of or incorporated by reference into this Proxy Statement.

PROPOSAL 2 RATIFY APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

On March 20, 2024, the Audit Committee of our Board appointed Deloitte & Touche LLP (“Deloitte”) as our independent registered public accounting firm to audit our consolidated financial statements for the fiscal year ending December 31, 2024. During our 2023 fiscal year, Marcum LLP (“Marcum”) served as our independent accountant and reported on our consolidated financial statements for that year. Prior to the Audit Committee’s appointment of Deloitte, Marcum had been our independent auditor at all times since October 2020.

The Board and the members of the Audit Committee believe that the retention of Deloitte as the Company’s independent auditor for the fiscal year ending December 31, 2024 is in the best interests of the Company and its stockholders.

We expect that representatives of Deloitte will attend the Annual Meeting and will have the opportunity to make a statement if they so desire and to respond to appropriate questions.

Although stockholder ratification is not required, the appointment of Deloitte is being submitted for ratification at the 2024 Annual Meeting with a view towards soliciting stockholders’ opinions, which the Audit Committee will take into consideration in future deliberations. If Deloitte’s selection is not ratified at the Annual Meeting, the Audit Committee will consider the engagement of other independent accountants. The Audit Committee may terminate Deloitte’s engagement as our independent accountant without the approval of our stockholders whenever the Audit Committee deems termination appropriate.

Required Vote

Approval of this Proposal 2 requires the affirmative vote (i.e., “FOR” votes) of a majority of the shares present or represented and entitled to vote thereon at our 2024 Annual Meeting. A vote to “ABSTAIN” will count as “present” for purposes of this proposal and so will have the same effect as a vote “AGAINST” this proposal. In the absence of instructions, your broker may vote your shares on this proposal. For more information, see “General Information about the Annual Meeting and Frequency Asked Questions— Voting Instructions and Information—If you do not vote and the effect of broker non-votes.”

Recommendation

The Board recommends that stockholders vote “FOR” ratification of the appointment of Deloitte & Touche LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2024.

AUDIT COMMITTEE REPORT

The Audit Committee of the Board assists the Board in performing its oversight responsibilities for the Company's financial reporting process and audit process as more fully described in the Audit Committee's charter. Management has the primary responsibility to establish and maintain a system of internal control over financial reporting, for the financial statements and the reporting process. The Company's independent registered public accounting firm is responsible for performing an independent audit of its financial statements and internal control over financial reporting in accordance with the auditing standards of the Public Company Accounting Oversight Board (United States) (the "PCAOB") and to issue reports thereon. The Audit Committee does not provide any expert or other special assurance as to the Company's financial statements or any expert or professional certification as to the work of our independent registered public accounting firm.

In the performance of its oversight function, the Audit Committee reviewed and discussed the Company's audited financial statements for the fiscal year ended December 31, 2023 with the Company's management and its independent registered public accounting firm. The Audit Committee also discussed with the Company's independent registered public accounting firm the matters required to be discussed by the applicable requirements of the PCAOB and the SEC. In addition, the Audit Committee received and reviewed the written disclosures and the letter from the Company's independent registered public accounting firm required by the applicable requirements of the PCAOB regarding such accounting firm's communications with the Audit Committee concerning independence and has discussed with the Company's independent registered public accounting firm that firm's independence and considered whether any "non-audit" services provided by the independent registered public accounting firm are compatible with maintaining its independence.

Based on the reviews and discussions described above, the Audit Committee recommended to the Board that the audited financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2023 filed with the SEC.

TABLE OF CONTENTS

EXECUTIVE COMPENSATION

This section discusses the material components of the executive compensation program for our named executive officers.

Our named executive officers, consisting of our principal executive officer and the next two most highly compensated executive officers, for FY2023 were:

- Robert S. Wiesenthal, Chief Executive Officer;
- Melissa M. Tomkiel, President and General Counsel; and
- William A. Heyburn, Chief Financial Officer and Head of Corporate Development.

The Compensation Committee of the Board sets our executive compensation philosophy and oversees compensation and benefits programs. The Compensation Committee oversees and determines the compensation of the Chief Executive Officer and other executive officers. The Compensation Committee has the authority to establish the compensation mix it believes is appropriate for each named executive officer, as well as any performance measures, goals, targets and business objectives that may be applicable with respect to any component of such compensation mix. The Compensation Committee determines the benefits and severance arrangements, if any, that we make available to executive officers. The Compensation Committee may, if it deems it appropriate, make recommendations to the Board with respect to executive compensation or director compensation for Board determination and approval. Our Chief Executive Officer does not participate in deliberations or decisions with regard to his compensation. Our Chief Executive Officer reviews the performance of our other named executive officers with our Compensation Committee, but no other named executive officer or employee reviews the performance of our named executive officers. The Compensation Committee gives considerable weight to the Chief Executive Officer's evaluations of our other named executive officers because of his direct knowledge of these individuals' performance and contributions.

On February 1, 2022, the Board changed our fiscal year from a year beginning on October 1 and ending September 30, to a year beginning on January 1 and ending December 31. In this Executive Compensation section, references to:

- "FY2023" and "the fiscal year ended December 31, 2023" refer to the twelve-month period from January 1, 2023 through December 31, 2023;
- "FY2022" and "the fiscal year ended December 31, 2022" refer to the twelve-month period from January 1, 2022 through December 31, 2022;
- The "Transition Period" or "TP" refer to the three-month period from October 1, 2021 through December 31, 2021; and
- "FY2021" refers to the twelve-month period from October 1, 2020 through September 30, 2021.

Compensation Philosophy

Our executive compensation program has been based on an underlying philosophy that compensation should attract, engage and retain high caliber talent and align the interests of our executives with the interests of our stockholders. Generally, the majority of our named executive officers' annual compensation consists of equity awards, which are intended to help us retain our management team over a longer timeline and to align their interests with the long-term interests of our company and stockholders. However, in FY2023, the Compensation Committee did not grant equity awards to our executive officers because the Compensation Committee had not yet finalized the design of new performance-based awards until 2024, which resulted in the grant of performance-based equity awards in 2024 that would have otherwise been made in FY2023 had such design been finalized in FY2023. The Compensation Committee evaluates both overall company and individual executive performance when determining equity awards in order to motivate our executive officers and reward performance.

TABLE OF CONTENTS

Compensation Consultant Role

The Compensation Committee has authority under its charter to obtain, at the expense of the Company, advice and assistance from internal or external legal, accounting or other advisors and consultants as it deems necessary or appropriate in the performance of its duties. In addition, the Compensation Committee has sole authority to retain a compensation consultant to assist it in the evaluation of director and executive officer compensation.

The Compensation Committee retained Aon's Human Capital Solutions Practice, a division of Aon ("Aon") as its compensation consultant in FY2023. Aon reported directly to the Compensation Committee, attended meetings and provided advice to the Compensation Committee. Aon prepared analyses for the Compensation Committee based on its review of market data that it believed to be relevant, including compensation levels at, and the financial performance of, a comparator group of companies identified for relevant periods.

Aon met with the Compensation Committee and with management to solicit input on job scope, performance, retention issues and other relevant factors. Aon then prepared reports for the Compensation Committee with respect to management recommendations as to compensation opportunities of the applicable executive officers and the reasonableness of such recommendations. Aon worked independently with the Compensation Committee Chairperson to develop recommendations for the compensation of our Chief Executive Officer, President, Chief Financial Officer and other members of our senior management team. Aon also advised the Compensation Committee on compensation-related developments and best practices.

Aon did not provide Blade any services other than the services that it provided to the Compensation Committee. The Compensation Committee does not believe that the work performed by Aon for the Compensation Committee raised any conflict of interest.

Agreements with Named Executive Officers

Mr. Wiesenthal's offer letter from the Company, dated September 1, 2015, generally provides for at-will employment, an initial annual base salary of \$34,125 (subject to periodic review by our Board) (Mr. Wiesenthal's annual base salary as of December 31, 2023 was \$750,000), reimbursement of reasonable business expenses in accordance with Company policies, and a gross-up for any qualified business expense reimbursement that is deemed includable in Mr. Wiesenthal's taxable income.

Ms. Tomkiel's letter agreement with the Company, dated July 1, 2019, generally provides for at-will employment and an annual base salary of \$275,000 effective as of July 1, 2019 (Ms. Tomkiel's annual base salary as of December 31, 2023 was \$500,000).

Additionally, as a condition of employment, each of our named executive officers has entered into our standard at-will employment, confidential information, invention assignment and arbitration agreement, which includes the following restrictive covenants: (i) perpetual confidentiality and non-disclosure; (ii) 12-month post-termination non-competition; (iii) 12-month post-termination non-solicitation of customers and non-interference with franchisees, joint ventures, suppliers, vendors or contractors; and (iv) 12-month post-termination non-solicitation and no-hire of employees.

Base Salary

We provide each named executive officer with a base salary for the services that the executive officer performs for us. Base salaries were initially set at the time each named executive officer commenced employment with us and are reviewed annually. The Compensation Committee, in setting future salary determinations, will take into account a range of factors, which may include some or all of the following: the named executive officer's position, responsibilities associated with that position, length of service, experience, expertise, knowledge and qualifications; market factors; the industry in which we operate and compete; recruitment and retention factors; the named executive officer's individual compensation history; salary levels of the other members of our executive team and similarly situated executives at comparable companies; and our overall compensation philosophy. Except for our Chief Executive Officer, whose base salary was increased by \$150,000, none of our named executive officers received a base salary increase in FY2023. The Compensation Committee determined to increase our Chief Executive Officer's base salary based on an analysis of comparable publicly-traded companies.

Name and Principal Position	FY2023	FY2022
Robert S. Wiesenthal <i>Chief Executive Officer</i>	\$750,000	\$600,000
Melissa M. Tomkiel <i>President and General Counsel</i>	\$500,000	\$500,000
William A. Heyburn <i>Chief Financial Officer and Head of Corporate Development</i>	\$450,000	\$450,000

Annual Bonus Pursuant to the Short-Term Incentive Plan

In March 2023, the Compensation Committee established the FY2023 short-term incentive plan (the "STIP") for eligible employees. The STIP is a cash based sub-plan of the Incentive Plan, which pays out if the performance-based objectives of actual gross revenue and adjusted EBITDA achieved by the Company during FY2023 are

TABLE OF CONTENTS

met. If the Company achieves the applicable performance objectives, each executive receives a bonus equal to a certain percentage of his or her salary. Awards under the STIP may be earned as to 0% to 150% of the applicable target bonus percentage (the "Payout Percentage"). For FY2023, the Compensation Committee determined to increase the maximum potential Payout Percentage to 150% based on an analysis that showed that this maximum potential Payout Percentage was commonly used among comparable publicly-traded companies. The actual payouts under the STIP are calculated by multiplying (1) the amount of the participant's base salary payable during FY2023, by (2) the participant's applicable target bonus percentage by (3) the Payout Percentage (as determined by the Compensation Committee based on the level of actual gross revenue achieved). The target bonus percentages for our Chief Executive Officer, President and Chief Financial Officer are 100%, 75% and 75%, respectively of their FY2023 base salaries. The Compensation Committee determined to increase these individual target bonus percentages for FY2023 based on an analysis that showed that they were previously below the 50th percentile of comparable publicly-traded companies.

On March 8, 2024, the Compensation Committee determined that the Payout Percentage for our named executive officers was 145%, with a Payout Percentage of 125% for cash payments and a Payout Percentage of 20% for restricted stock unit awards (as further described below) (the "STIP RSU Awards"). As such, \$937,500, \$468,750 and \$421,875 were paid to each of Mr. Wiesenthal, Ms. Tomkiel and Mr. Heyburn in cash, respectively. The number of restricted stock units in the STIP RSU Awards was determined by dividing the value of each respective STIP RSU Award by the average closing price of the Company's common stock in the 30 calendar days leading up to March 8, 2024 (the date of the award of the STIP RSU Awards), and as such, on March 8, 2024, 45,672, 22,836 and 20,552 restricted stock units were granted to each of Mr. Wiesenthal, Ms. Tomkiel and Mr. Heyburn, respectively, as part of their payouts under the STIP. In accordance with the STIP, cash awards for FY2023 were paid out no later than 2.5 months following the end of the year, in one lump sum cash payment. As the STIP RSU Awards were granted to our named executive officers in lieu of cash under the STIP, the STIP RSU Awards will become fully vested on April 1, 2024, in each case subject to the applicable named executive officer's continuous employment through such date. Adjusted EBITDA is a non-GAAP financial measure. This measure excludes non-cash items or certain transactions that are not indicative of ongoing Company operating performance and/or items that management does not believe are reflective of our ongoing core operations. The adjustments made to determine the level of adjusted EBITDA achieved by the Company in FY2023 for the purposes of determining payouts under the STIP include adjustments for significant and non-recurring items on Net Income, the nearest GAAP measure, including, without limitation, non-recurring contingent consideration, the change in fair value of warrant liabilities, stock-based compensation, intangible asset impairment and other non-cash or non-recurring items.

Overall Compensation

On November 13, 2023, the Compensation Committee approved the overall compensation of our named executive officers for the 2024 fiscal year (the "November Compensation Determinations"), which included approvals of the following compensation components for each respective named executive officer: (1) base salary; (2) short-term incentive plan target payout percentage to be included in the Company's 2024 short-term incentive plan ("2024 STIP") to be approved by the Compensation Committee in 2024; and (3) the number of performance-based restricted stock units ("PSUs") to be approved by the Compensation Committee, along with the performance and vesting conditions applicable to such PSUs, in 2024. The number of PSUs was determined by dividing the perceived "grant value" of the PSUs by the average closing price of the Company's common stock in the 30 calendar days leading up to the November Compensation Determinations. The 2024 STIP and PSUs were officially approved by the Compensation Committee on March 8, 2024, and as such, will be further disclosed in the Company's proxy materials for the 2025 annual meeting of stockholders. As the Compensation Committee did not finalize the design of PSUs in FY2023, the Compensation Committee did not officially grant any equity awards to our named executive officers in FY2023.

August 2023 Acceleration of Outstanding Restricted Stock Unit Grants

On August 8, 2023, the Compensation Committee approved a partial acceleration of the vesting of each outstanding award of time-based restricted stock units, including those awarded to our directors and named executive officers (such awards, the “Accelerated Awards” and such approval, the “August 2023 Vesting Acceleration”). Pursuant to the August 2023 Vesting Acceleration, the vesting date of each tranche of the Accelerated Awards scheduled to vest on or after December 9, 2023 was accelerated as follows: (i) all tranches of Accelerated Awards with vesting dates between December 9 and March 7 were accelerated to the 8th day of December immediately preceding such vesting date (e.g., if a tranche was scheduled to vest on January 1, 2024, such tranche was accelerated to vest on December 8, 2023); (ii) all tranches of Accelerated Awards with vesting dates between March 9 and June 7 were accelerated to the 8th day of March immediately preceding such vesting date (e.g., if a tranche was scheduled to vest on April 1, 2024, such tranche was accelerated to vest on March 8, 2024); (iii) all tranches of Accelerated Awards with vesting dates between June 9 and September 7 were accelerated to the 8th day of June immediately preceding such vesting date (e.g., if a tranche was scheduled to vest on July 1, 2024, such tranche was accelerated to vest on June 8, 2024); and (iv) all tranches of Accelerated Awards with vesting dates between September 9 and December 7 were accelerated to the 8th day of September immediately preceding such vesting date (e.g., if a tranche was scheduled to vest on October 1, 2024, such tranche was accelerated to vest on September 8, 2024). The Compensation Committee determined to accelerate the vesting schedule for these awards solely for the purposes of standardizing the dates on which our equity awards vest in order to facilitate the administration of our equity award program.

2021 Omnibus Incentive Plan

We maintain the 2021 Omnibus Incentive Plan (the “Incentive Plan”), which provides a means through which to attract and retain key personnel and to provide a means whereby our directors, officers, employees, consultants and advisors can acquire and maintain an equity interest in us, or be paid incentive compensation, including incentive compensation measured by reference to the value of our shares of our common stock, thereby strengthening their commitment to our welfare and aligning their interests with those of our stockholders.

Eligible participants are any (i) individual employed by the Company or any of its subsidiaries and affiliates, collectively referred to as the “Company Group,” except that no employee covered by a collective bargaining agreement will be eligible to receive awards under the Incentive Plan unless and to the extent that such eligibility is set forth in such collective bargaining agreement or a related agreement; (ii) director or officer of any member of the Company Group; or (iii) consultant or advisor to any member of the Company Group who may be offered securities registrable pursuant to a registration statement on Form S-8 under the Securities Act, who, in the case of each of clauses (i) through (iii) above, has entered into an award agreement or who has received written notification from the Compensation Committee (as defined below) or its designee that they have been selected to participate in the Incentive Plan.

The Incentive Plan is administered by the Compensation Committee of the Board or a subcommittee of such Compensation Committee to which it has properly delegated power, or if no such committee or subcommittee exists, our Board (such administering body and its authorized designee(s), the “Committee”).

The Incentive Plan provides that the total number of shares of the Company’s common stock that may be issued under the Incentive Plan is 9,306,968, or the “Absolute Share Limit,” except that the Absolute Share Limit will be increased (A) on the first day of each fiscal year after our 2021 fiscal year in an amount equal to the least of (x) 4,125,000 shares of the Company’s common stock, (y) 5.0% of the total number of shares of the Company’s common stock outstanding on the last day of the immediately preceding fiscal year, and (z) a lower number of shares of the Company’s common stock as determined by our Board and (B) for any shares of the Company’s common stock underlying awards outstanding under the Fly Blade, Inc. 2015 Equity Incentive Plan, or the “2015 Plan,” that, on or after the Closing Date, expire or are cancelled, forfeited, terminated, or otherwise are not issued (e.g., due to settlement in cash).

TABLE OF CONTENTS

The maximum number of shares of the Company's common stock for which incentive stock options may be granted is equal to the Absolute Share Limit. Except for Substitute Awards (as described below), to the extent that an award (or an award under the 2015 Plan) expires or is cancelled, forfeited, terminated, settled in cash, or otherwise is settled without issuance to the participant of the full number of shares of the Company's common stock to which the award (or an award under the 2015 Plan) related, the unissued shares will again be available for grant under the Incentive Plan. Shares of the Company's common stock withheld in payment of the exercise price, or taxes relating to an award (or an award under the 2015 Plan), and shares equal to the number of shares surrendered in payment of any exercise price, or taxes relating to an award, shall be deemed to constitute shares not issued; except that such shares will not become available for issuance if either: (i) the applicable shares are withheld or surrendered following the termination of the Incentive Plan or (ii) at the time the applicable shares are withheld or surrendered, it would constitute a material revision of the Incentive Plan subject to stockholder approval under any then-applicable rules of the national securities exchange on which the Company's common stock is listed. No award may be granted under the Incentive Plan after the tenth anniversary of the Closing Date, but awards granted before then may extend beyond that date. Awards may, in the sole discretion of the Compensation Committee, be granted in assumption of, or in substitution for, outstanding awards previously granted by an entity directly or indirectly acquired by Company or with which Company combines, or Substitute Awards, and such Substitute Awards will not be counted against the Absolute Share Limit, except that Substitute Awards intended to qualify as "incentive stock options" will count against the limit on incentive stock options described above.

2015 Equity Incentive Plan

Prior to the Closing, we made grants to Service Providers (as defined in the 2015 Plan) under the 2015 Plan. The 2015 Plan permitted the grant of incentive stock options, nonstatutory stock options, stock appreciation rights, restricted stock, and restricted stock units. No new grants can be made under the 2015 Plan following the adoption of the Incentive Plan. As of December 31, 2023, there were 7,217,074 outstanding options under the 2015 Plan.

in personal travel on Company flights during each calendar year. Participants are responsible for all imputed income related to this benefit. The Compensation Committee determined to increase our Chief Executive Officer's benefits under the revised policy after a review of flight benefits provided to Chief Executive Officers of similar aviation companies.

Severance Plan

On December 20, 2021, the Compensation Committee approved the Blade Air Mobility, Inc. Change in Control Severance Plan (the "Severance Plan"). Each of the Company's "officers" (as defined by Rule 16a-1(f) under the Exchange Act) will participate in the Severance Plan. Employees of the Company who serve as the Company's President or Chief Financial Officer are referred to as "Group A Participants" and all other "officers" of the Company (as defined by Rule 16a-1(f) under the Exchange Act), other than Company's Chief Executive Officer and Group A Participants, are referred to as "Group B Participants."

The Severance Plan provides participants who are terminated without Cause (as defined in the Severance Plan), or, solely in the case of the Company's Chief Executive Officer, for Good Reason (as defined in the Severance Plan), outside of a Change in Control (as defined in the Severance Plan) protection period with the following benefits:

- A lump sum cash payment of (i) 1.5x base salary for the Company's Chief Executive Officer,
- (ii) 1.0x base salary for Group A Participants, and (iii) 0.75x base salary for Group B Participants; and

- (ii) 1.0x base salary for Group A Participants, and (iii) 0.75x base salary for Group B Participants;
- An additional lump sum cash payment equal to the participant's target bonus prorated based on the number of days the participant was employed during the fiscal year in which the date of termination occurs;
- Payment of premiums under the Company's health plans for up to (i) 24 months for the Company's Chief Executive Officer, (ii) 12 months for Group A Participants, and (iii) 9 months for Group B Participants; and
- 100% acceleration of outstanding time-based equity awards.

The Change in Control protection period will extend from 3 months before any Change in Control through 12 months following such Change in Control.

In order to receive any benefits under the Severance Plan, participants must sign a general release of claims against the Company. Any amounts payable to a participant under the Severance Plan will be reduced to the maximum amount that could be paid without being subject to the excise tax imposed under Internal Revenue Code Sections 280G and 4999, but only if the after-tax benefit of the reduced amount is higher than the after-tax benefit of the unreduced amount. The Severance Plan has a three-year term and may thereafter be renewed by the Compensation Committee in its sole discretion for additional three-year terms.

TABLE OF CONTENTS

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

The following table sets forth information known to Blade regarding the beneficial ownership of Class A common stock as of March 7, 2024 by:

- each person who is known by Blade to be the beneficial owner of more than five percent (5%) of the outstanding shares of any class of Class A common stock;
- each current director of Blade and each nominee for director of Blade;
- each of our executive officers named in the “Summary Compensation Table”; and
- all current directors, director nominees, named executive officers and current executive officers as a group.

Beneficial ownership for the purposes of the following table is determined in accordance with the rules and regulations of the SEC. A person is a “beneficial owner” of a security if that person has or shares “voting power,” which includes the power to vote or to direct the voting of the security, or “investment power,” which includes the power to dispose of or to direct the disposition of the security or has the right to acquire such powers within 60 days. The beneficial ownership percentages set forth in the table below are based on 75,433,154 shares of our common stock issued and outstanding as of March 7, 2024. Except as specified below, the table below excludes an aggregate of 21,081,989 shares of our common stock issuable upon the exercise of any vested Blade Options or the exercise of Warrants.

Unless otherwise noted in the footnotes to the following table, and subject to applicable community property laws, the persons and entities named in the table have sole voting and investment power with respect to their beneficially owned Class A common stock.

Blade Related Party Transactions

Investor Rights Agreement

In December 2020, in connection with the execution of the Merger Agreement, EIC entered into the Investor Rights Agreement with Experience Sponsor LLC, one of EIC's significant investors at such time, and certain stockholders of Old Blade, including Robert Wiesenthal and other current and former executive officers of Blade.

The Investor Rights Agreement provides that the Board will nominate a number of Sponsor Directors such that, following the election of any directors and taking into account any director continuing to serve as such without the need for re-election, the number of Sponsor Directors serving as directors of Blade will be equal to: (a) if the Sponsor (or its permitted transferees) continues to beneficially own at least 50% of the shares of our common stock beneficially owned by the Sponsor at the closing of the Merger, two-sevenths of the total number of directors, rounding up to the nearest whole number, and (b) if the Sponsor (or its permitted transferees) continues to beneficially own at least 25% (but less than 50%) of the shares of our common stock beneficially owned by the Sponsor at the closing of the Merger, one-seventh of the total number of directors, rounding up to the nearest whole number. Once the Sponsor's ownership falls below an applicable ownership threshold, any then-serving Sponsor Directors in excess of the number of Sponsor Directors that the Sponsor is then entitled to designate shall promptly tender his or her resignation for the consideration of the Board. We have also agreed to take all actions (to the extent such actions are not prohibited by applicable law and within our control) to cause our Chief Executive Officer to serve as a director of the Board.

In addition, the Investor Rights Agreement provides that Blade will provide each of the Sponsor and Robert Wiesenthal "demand" registration rights and to provide to certain other parties customary "piggyback" registration rights on registered offerings of equity securities of Blade and certain other registration rights, subject to customary cut-back provisions. The Investor Rights Agreement also provides that we will pay certain expenses relating to such registrations and indemnify the registration rights holders against (or make contributions in respect of) certain liabilities which may arise under the Securities Act. Additionally, following certain underwritten offerings of Blade's equity securities, certain of the parties to the Investor Rights Agreement will also agree to a customary market stand-off period not to exceed 90 days.

Pursuant to the Investor Rights Agreement, the Company filed a shelf registration statement in 2022 in respect of the equity securities held by certain parties to the Investor Rights Agreement and will use reasonable best efforts to maintain or, in the event it ceases to be effective, replace such shelf registration statement until such parties have sold all eligible equity securities of the Company beneficially owned by such parties as of the Closing.

Furthermore, the Investor Rights Agreement contains certain restrictions on the disposal or transfer of our common stock and warrants by the parties thereto, all of which restrictions had lapsed by June 2022.

Observation Rights Agreement

On January 13, 2023, we and RB Lift LLC ("RB Lift") entered into an observation rights agreement (the "Observation Rights Agreement"), which provided that, for so long as RB Lift and its affiliates beneficially owned at least 5.0% of our outstanding common stock, RB Lift was entitled to appoint a representative to act as a non-voting observer to the Board. RB Lift appointed Andrew Lauck, the president of RB Lift, to act as such observer. In connection therewith, Mr. Lauck entered into an observation compliance agreement with us, whereby Mr. Lauck undertook certain customary confidentiality obligations in connection with his observation privileges. The Observation Rights Agreement terminated on its terms upon the Board's appointment of Mr. Lauck as a member of our Board on March 27, 2023.

TABLE OF CONTENTS

Nomination Rights Agreement

On March 27, 2023, we and RB Lift entered a nomination rights agreement (the "Nomination Rights Agreement"), which provided that, for as long as RB Lift and its affiliates beneficially owned at least 5.0% of our outstanding common stock, RB Lift was entitled to nominate one director (the "RedBird Nominee") to serve on our Board as a Class II director and, subject to certain limitations, on the Audit Committee. RB Lift nominated Andrew Lauck, the president of RB Lift, as the RedBird Nominee. In the event that the RedBird Nominee ceases to serve as a director (other than the failure of the stockholders of the Company to elect such individual as a director or the termination of the nomination right), RB Lift will have the right to designate a replacement nominee. The Nomination Rights Agreement will remain in effect until the earlier of the annual general meeting of stockholders of the Company held in 2026 or RB Lift and its affiliates ceasing to own at least 5.0% of our outstanding common stock.

Transactions with Portfolio Companies of RedBird Capital Partners Management

The Company occasionally engages in transactions for certain air charter services with jet operators who are part of the portfolio of RedBird Capital Partners Management LLC, which is an investor in our company. Additionally, Andrew Lauck, a member of our board of directors, is a Partner of an affiliated company of RedBird Capital Partners Management LLC. During the year ended December 31, 2023, the Company paid these jet operators approximately \$369,000 for air charter services.

Related Party Transaction Policy

We have a written policy on transactions with related parties, which we refer to as our "related party policy." Our related party policy defines "related parties" as:

- any person who is, or at any time since the beginning of our last fiscal year was, a director or executive officer or a nominee to become a director;
- any person who is known to beneficially own more than 5% of any class of our voting securities;
- any immediate family member of the foregoing persons; and
- any entity in which any of the foregoing persons is employed or is a partner or principal or in a similar position of in which such person has a 5% or greater beneficial ownership interest.

Our related party policy requires that all related parties must disclose to our General Counsel any transaction, arrangement or relationship in which Blade (including any of our subsidiaries) was, is or will be a participant and the amount involved exceeds \$120,000, and in which any related party had, has or will have a direct or indirect material interest. Our general counsel will communicate that information to our Audit Committee for consideration. Our Audit Committee will consider all of the relevant facts and circumstances available, including, but not limited to whether the transaction was (i) undertaken in the ordinary course of business, (ii) on terms comparable to those that could be obtained in an arm's-length transaction, and (iii) the purpose and potential benefits to Blade of such transaction. Our related party policy provides that the Audit Committee will only approve those related party transactions that are in, or are not inconsistent with, the best interests of Blade and its stockholders. It is also our policy that any directors interested in a related person transaction must recuse themselves from any vote on a related person transaction in which they have an interest. Our related party policy further provides that no immediate family member of a director or executive officer shall be hired as an employee of Blade unless the employment arrangement is approved by the Audit Committee.

You will be able to attend the 2024 Annual Meeting from any location with internet connectivity. You will not be able to attend the 2024 Annual Meeting in person.

Appointing a proxy in response to this solicitation will not affect your right to attend the 2024 Annual Meeting and to vote during the 2024 Annual Meeting. Please note that if you hold your common stock in "street name" (that is, through a broker, bank or other nominee), you will receive instructions from your broker, bank or other nominee that you must follow in order to have your shares of common stock voted.

Stockholders may submit questions and comments before and during the meeting. During the meeting, we will spend up to 15 minutes answering stockholder questions that comply with the meeting rules of procedure. The rules of procedure will be posted on the virtual meeting web portal. To the extent time doesn't allow us to answer all of the appropriately submitted questions, we will answer them in writing on the Investor Relations page on our website at ir.blade.com, soon after the meeting. If we receive substantially similar questions, we will group such questions together and provide a single response to avoid repetition.

The Annual Meeting webcast will begin promptly at 9:00 a.m. (Eastern Time). We encourage you to access the meeting webcast prior to the start time. Online check-in will begin, and stockholders may begin submitting written questions, at 8:45 a.m. (Eastern Time), and you should allow ample time for the check-in procedures.

What matters will be presented?

We are not aware of any matters to be presented at the Annual Meeting other than those described in this Proxy Statement. If any matters not described in this Proxy Statement are properly presented at the meeting, then proxies will use their own judgment to determine how to vote your shares. If the meeting is adjourned or postponed, then proxies can vote your shares at the adjournment or postponement as well.

Are all of the Company's directors standing for election at the 2024 Annual Meeting?

No, only our Class III directors are standing for re-election at this time. Our Class I directors will stand for election at the 2025 Annual Meeting and our Class II directors will stand for election at the 2026 Annual Meeting.

How do stockholders participate in the virtual meeting?

To participate in the meeting, you must have the 16-digit number that is shown on your Notice of Internet Availability of Proxy Materials or on your proxy card if you elected to receive proxy materials by mail. You may access the Annual Meeting by visiting www.virtualshareholdermeeting.com/BLDE2024. We will have technicians ready to assist you with any technical difficulties you may have accessing the virtual meeting or submitting questions. TABLE OF CONTENTS

Will stockholders be able to participate in the virtual meeting on the same basis stockholders would be able to participate in an in-person annual meeting?

The virtual meeting format for the Annual Meeting will enable full and equal participation by all our stockholders from any place in the world that has internet connection at little to no cost, while protecting the health and well-being of our stockholders and other participants at the Annual Meeting.

We designed the format of the virtual meeting to ensure that stockholders who attend our Annual Meeting will be afforded the same rights and opportunities to participate as they would at an in-person meeting and to enhance shareholder access, participation and communication through online tools. We will take the following steps to ensure such an experience:

- providing stockholders with the ability to submit appropriate questions in advance of the meeting to ensure thoughtful responses from management and the board;
- providing stockholders with the ability to submit appropriate questions real-time via the meeting website; and
- answering as many questions submitted in accordance with the meeting rules of conduct as possible in the time allotted for the meeting without discrimination.

What stockholders are entitled to vote?

You may vote if you owned shares of our common stock as of March 7, 2024, which is the record date for the Annual Meeting. You are entitled to one vote on each matter presented at the Annual Meeting for each share of common stock that you owned on that date. As of March 7, 2024, we had 75,433,154 shares of common stock outstanding.

What is the difference between holding shares as a stockholder of record and as a beneficial owner?

As summarized below, there are some distinctions between shares held of record and those owned beneficially.

Stockholder of Record. If your shares are registered directly in your name with our transfer agent, Equiniti Trust Company, LLC, you are considered to be the stockholder of record with respect to those shares, and we have sent the Notice of Internet Availability directly to you. As a stockholder of record, you have the right to grant your voting proxy directly to us or to vote during the live webcast of the Annual Meeting.

Beneficial Owner Stockholders. If your shares are held in a stock brokerage account or by a bank or other intermediary, you are considered to be the beneficial owner of shares held in "street name," and the Notice of Internet Availability has been forwarded to you by your bank, broker, or intermediary (which is considered to be the stockholder of record with respect to those shares). As a beneficial owner, you have the right to direct your bank, broker, or intermediary on how to vote. Your bank, broker, or intermediary has sent you a voting instruction card for you to use in directing the bank, broker, or intermediary regarding how to vote your shares. However, since you are not the stockholder of record, you may not vote these shares during the live webcast of the Annual Meeting.

Who will tabulate the votes?

Broadrige Financial Solutions, Inc., an independent third party, will tabulate the votes.

How do I vote?

If you plan to attend the Annual Meeting, you may vote and submit questions while attending the meeting via live webcast. You will need the 16-digit number included on your Notice of Availability or your proxy card (if you received a printed copy of the proxy materials) in order to be able to enter the meeting. Shares held in your name as the stockholder of record may be voted by you, while the polls remain open, at www.virtualshareholdermeeting.com/BLDE2024 during the meeting.

TABLE OF CONTENTS

If your common stock is held in your name, there are three ways for you to vote by proxy:

- If you received a paper copy of the proxy materials by mail, mail the completed proxy card in the enclosed return envelope;
- Call 1 800-690-6903;
or
- Log on to the internet at www.proxyvote.com and follow the instructions at that site. The website address for internet voting is also provided on your Notice of Availability.

Telephone and internet proxy voting will close at 11:59 p.m. (Eastern Time) on May 1, 2024 (although you may also vote live at the Annual Meeting). Proxies submitted by mail must be received prior to the meeting. Unless you indicate otherwise on your proxy card, the persons named as your proxies will vote your common stock:

- **FOR** all of the nominees for director named in this Proxy Statement;
and
- **FOR** the ratification of the appointment of Deloitte & Touche LLP as our independent registered public accounting firm for 2024.

If your common stock is held in the name of your broker, bank or other nominee, then you should receive separate instructions from the holder of your common stock describing how to vote your common stock.

Even if you plan to attend the Annual Meeting via live webcast, we recommend that you vote your common stock in advance as described above so that your vote will be counted if you later decide not to participate in the virtual Annual Meeting.

What happens if I do not vote? What is the effect of broker non-votes

If you are a stockholder of record, then your shares will not be voted if you do not provide your proxy, unless you attend the live webcast and vote online during the Annual Meeting.

If (i) you are the beneficial owner of shares held in the name of a broker, trustee or other nominee, (ii) you do not provide that broker, trustee or other nominee with voting instructions, (iii) such person does not have discretionary authority to vote on such proposal, and (iv) you do not attend the live webcast and vote online during the Annual Meeting, then a “broker non-vote” will occur. Under the Nasdaq rules, brokers, trustees or other nominees may generally vote on routine matters but cannot vote on non-routine matters. Our Proposal 2 (ratify the appointment of our independent registered public accounting firm for 2024) is the only proposal in this Proxy Statement that is considered a routine matter. The other proposals are not considered routine matters, and without your instructions, your broker cannot vote your shares. For all other proposals, broker non-votes are not considered “present,” and as such, broker non-votes will not affect the outcome of any such other proposals.

How is a quorum determined?

Holders of a majority in voting power of the stock entitled to vote at the Annual Meeting must be present or represented by proxy to constitute a quorum for the transaction of business at the Annual Meeting. Shares that vote with respect to at least one proposal to be considered at the Annual Meeting, votes to “WITHHOLD” authority on the election of directors, and votes to “ABSTAIN,” broker votes and broker non-votes (only when accompanied by broker votes with respect to at least one matter at the meeting) are counted as present and entitled to vote for purposes of determining a meeting quorum. No business may be conducted at the Annual Meeting if a quorum is not present. Stockholders attending the Annual Meeting through the live webcast will be considered present for the purposes of determining a meeting quorum. If a quorum is not present by attendance at the Annual Meeting or represented by proxy, the stockholders present by attendance at the meeting or by proxy may adjourn the meeting, until a quorum is present. If a new record date is fixed for the adjourned meeting, we will provide notice of the adjourned meeting to each stockholder of record entitled to vote at the meeting.

TABLE OF CONTENTS

What vote levels are required to pass an item of business?

Proposal		Vote Required	Broker Discretionary Voting Allowed
Proposal 1	Election of Class III Directors	Plurality of Votes Cast for each Director Nominee	No
Proposal 2	Ratification of Appointment of Independent Registered Public Accounting Firm	Majority of Votes Cast	Yes

With respect to Proposal 1, you may vote "FOR" or "WITHHOLD" with respect to each director nominee. Only votes cast "FOR" a nominee will be counted in the election of directors. Votes cast to "WITHHOLD" with respect to one or more nominees will result in those nominees receiving fewer votes but will not count as a vote against the nominees. The individuals who receive the largest number of votes are elected as directors up to the maximum number of directors to be elected at the meeting. This means that the four nominees receiving the highest number of votes at the Annual Meeting will be elected, even if these votes do not constitute a majority of the votes cast. Proxies may not be voted for more than four directors and stockholders may not cumulate votes in the election of directors.

With respect to Proposal 2, you may vote "FOR", "AGAINST" or "ABSTAIN".

If you abstain from voting on this matter, your shares will be counted as present and entitled to vote on that matter for purposes of establishing a quorum, but will not be counted for purposes of determining the number of votes cast.

Proposal 2 (ratify the appointment of our independent registered public accounting firm for 2024) is the only proposal on which your broker is entitled to vote your shares if no instructions are received from you.

What are the Board's voting recommendations?

- **FOR** election of our board-nominated slate of directors (see Proposal 1); and
- **FOR** the ratification of the appointment of Deloitte & Touche LLP, an independent registered public accounting firm, to be the auditors of our annual financial statements for the fiscal year ending December 31, 2024 (see Proposal 2);

Unless you give other instructions on your proxy card, the persons named as proxies on the proxy card will vote in accordance with the recommendations of the Board.

Where can I find the voting results?

Preliminary voting results will be announced at the Annual Meeting, and final voting results will be reported in a Current Report on Form 8-K, which we will file with the SEC within four business days following the Annual Meeting.

How do I revoke my proxy?

You can revoke your proxy if your common stock is held in your name by:

- Filing written notice of revocation before our Annual Meeting with our President, General Counsel and Secretary, Melissa Tomkiel, at 55 Hudson Yards, 14th Floor, New York, New York 10001;
- Signing a proxy bearing a later date and delivering it before our Annual Meeting; or
- Attending the live webcast and voting online during the Annual Meeting.

If your common stock is held in the name of your broker, bank or other nominee, please follow the voting instructions provided by the holder of your common stock regarding how to revoke your proxy.

What are the costs of proxy solicitations?

Our Board solicits proxies on our behalf, and we will bear the expense of preparing, printing and mailing this Proxy Statement and the proxies we solicit. Proxies may be solicited by mail, telephone, personal contact and electronic means and may also be solicited by directors and officers in person, by the internet, by telephone or by facsimile transmission, without additional remuneration.

We will also request brokerage firms, banks, nominees, custodians and fiduciaries to forward proxy materials to the beneficial owners of shares of our stock as of the record date and will reimburse them for the cost of forwarding the proxy materials in accordance with customary practice. Your cooperation in promptly voting your shares and submitting your proxy by the internet or telephone, or by completing and returning the enclosed proxy card (if you received your proxy materials in the mail), will help to avoid additional expense.

Where can stockholders find our corporate governance materials?

Current copies of our Board's Corporate Governance Guidelines, Code of Business Conduct and Ethics, and the charters for the Audit Committee, Compensation Committee, and Nominating and Corporate Governance Committee are published in the Governance Documents section of the Investor Relations page on our website at ir.blade.com/corporate-governance. We are not, however, including the other information contained on or available through our website as a part of, or incorporating such information by reference into, this Proxy Statement.
